

HISTORY OF THE WORLD BEFORE AND AFTER THE TIME OF THE GREAT FLOOD

PURPOSE

I have spent many years researching this subject and have compiled this document for the use of those wishing to learn more about the creation of the human race in Africa before and after the climate event referred to as the “Great Flood”.

The purpose of the document is for the reader to work through each section and click on the hyperlinks to various websites and watch the relevant videos, films and documentaries in order to gain the knowledge of our ancestors which governments have withheld for decades.

CONTENTS

1. The Creation of Human DNA
2. The Anunnaki – Our Family Creation Story
3. The History of UFOs and the Government Cover-Up
4. Miscellaneous
5. The Galactic Federation

1. THE CREATION OF HUMAN DNA

Research of the human genome has revealed an odd hidden code in our DNA.

The quantum of the information in our human DNA is comparably equal to 12 sets of the Encyclopaedia Britannica, an amazing 384 volumes-worth of detailed data that would fill 48 feet of required library shelves. All in all, it took about another 7,000 years to restore order after the Great Flood.

The DNA specifically preserved by the Anunnaki creator god Enki was their own human/Orion/Sirian/Pleiadian/reptilian DNA. (Interestingly this seems to be the DNA thread found in many prominent world leaders.)

A brief analysis of the Anunnaki DNA is as follows. Our behaviour and appearance basically depends on what proportion of DNA genes we have inherited from the above sets of genes: the Orion brings out the feminine part; the Sirians are physically short, stocky, hairy and mostly male orientated; the reptilians are aggressive/domineering; the Pleiadeans are even tempered and tall with blue eyes and fair complexion. It would also seem that our RH Negative blood group was inherited from reptilian DNA. (Source: Human DNA from *Our Ancestors from the Stars* by June Rye, page 19.)

2. THE ANUNNAKI – THE CREATION STORY

This is the history of the Celestial Family “The Anunnaki” (the creators of the Black race in Africa) from the time they first arrived on Planet Earth. They came from their planet Nibiru in their spaceships with 600 workers to search for gold on Planet Earth. Their family consists of 88 members (44 couples), each representing one of the constellations. This is explained in my book *Our Ancestors from the Stars*.

The Anunnaki Chronicles by Zecharia Sitchin will expand and enhance your understanding of who the Anunnaki were and why they came here.

It is from Michael Tellinger’s lectures that we learn about the history of the Anunnaki in Africa:

The following books are available about the Anunnaki:

***Reign of the Anunnaki: The Alien Manipulation of our Spiritual Destiny* by Jan Erik Sigdell**

***The Anunnaki of Nibiru: New World Order* by Gerald Clark, MSEE PSI**

***The Anunnaki Chronicles* by Zecharia Sitchin**

445,000 years ago these “creator gods” – as they were called – came to Earth. They were called the Anunnaki, which means “Those Who from Heaven to Earth Came”. They came from a distant orbiting planet called Nibiru, which only entered Earth’s solar system every 3,600 years. Nibiru was many times the diameter of Earth, and abundant with iron oxide, making its rivers and lakes appear red. A side note about Nibiru: According to the Sumerian tablets, Nibiru’s atmosphere began to deteriorate and became a hostile place for life and, in order to

restore it, they needed one important element for their atmosphere: gold. This was apparently administered in the form of gold dust.

The lecture below is about what became known as “The Great Flood”, or what some believe was the flood of the biblical character Noah’s day. (It is a great pity that they don’t mention Africa at all):

Michael Tellinger: Hidden Origins, Fossils of Giants and the Shift in Consciousness NEW LECTURE (29 Sept 2018) <https://www.youtube.com/watch?v=esBaHppmhTQ>

About the Great Flood:

If we use the example of the biblical version of the Great Flood, Noah could not possibly have taken all those animals on a boat; but how could a spaceship possibly be explained to the people who would later learn this story? It is now known it was the DNA of the fauna and flora species that was taken up in a spaceship and returned to Earth after the flood had receded to start creating the humans and animals from their DNA all over again. Imagine what a task it must have been to regenerate all those pairs of DNA! All in all, it took about another 7,000 years to restore order after the flood.

3. THE HISTORY OF UFOS AND THE GOVERNMENT COVER-UP

The secret space program has been going on since after WW2 and below are several secret Government files which have gradually been leaked to the public and updated over the years. The following presentations are the earliest I could find and very informative. The lectures below from 1988 have been buried very deep and are nothing like the wishy-washy information which slowly started to come to light in the late 1990s.

UFO Coverup LIVE from 1988 (13 Dec 2016) <https://www.youtube.com/watch?v=QTU0p-Q8Uic>

Lectures 2 and 4 in the UFO cover-up videos concern hidden offshore money. At the demise of the empire, City of London financial interests created a web of offshore secrecy jurisdictions

that captured wealth from across the globe and hid it behind obscure financial structures in a web of offshore islands. (See Part 4 Miscellaneous.)

Silence, cover-ups, formal denials, disinformation – anything goes when it comes to hiding the truth from the general public. In countries all over the world, the army is known to hold back top-secret information about UFOs.

From lectures 3 and 5 it is obvious that there had been a tremendous interest in the subject of UFOs in the late 1980s, but then the interest in the subject was shut down (obviously deliberately by our creators, and probably for the next generation to mature a little further). Don't forget, everything is programmed to happen at the right time. It is interesting to see that the interest in the subject once again started up in the late 1990s, obviously for the actual beginning of the Age of Aquarius 2000 AD-4000 AD – an age of enlightenment and personal freedom, technology, medical research and individual spiritual awakening en masse.

Fast forward to 2021. I had to dig very deep to find the following five presentations:

The Most Important Alien Story NEVER Told | The UFO Conclusion | Absolute Documentaries (25 Dec 2021) https://www.youtube.com/watch?v=2qT44T64_2o

What is the alien agenda? Are UFOs real? And why has the government gone to such great lengths to stifle the overwhelming evidence that there is life outside of Earth that exists? Some of our greatest minds on the planet share the truth behind this massive cover-up. Stanton Friedman is one of these people. Friedman is a top nuclear physicist who has appeared in countless documentaries and TV programmes talking and sharing his expertise. Jim Mars also speaks on this matter. Mars is the author of the top-selling non-fiction UFO book in the world, *Alien Agenda*.

Powerful UFOs threatening the world's most dangerous nuclear bases? | Ancient Aliens (19 Dec 2021) <https://www.youtube.com/watch?v=Tzp6vJOSxZg>

Ever since the first atomic bomb went off in 1945, UFOs have been spotted at nuclear facilities across the world. Could this signal a threat to mankind? Personally I think we are being warned (as children) not to play with fire. Also, regarding the alien crashed UFOs, the aliens are so far advanced that they would certainly not allow themselves to be shot down, except deliberately. The Soviet UFO, just like the Roswell incident, were allowed to be shot down to allow us to have this advanced technology.

Navy pilots describe encounters with UFOs (17 May 2021)
<https://www.youtube.com/watch?v=ZBtMbBPzqHY>

This is exactly the right time for this information to come out. The whole UFO concept had to evolve slowly. Another generation had to grow up after the last war to be ready to move into the beginning of this new age. The time had to arrive when it was time to move out of the dogma of the Christian religion and into a new scientific, spiritual and space age.

The Truth About Aliens & UFOS (Extraterrestrial Documentary) | Absolute Documentaries (6 Oct 2021) https://www.youtube.com/watch?v=O5-GF_jUhBY

In this absolutely ground-breaking documentary, we explore if extraterrestrial life really has had a helping hand in shaping our civilization. We see and hear people's experiences with extraterrestrial life, ranging from alien abduction, UFO sightings, and we even see real footage from the air force showcasing abnormally large flying objects. This conversation goes way deeper than whether you "believe" in aliens or not. This is the TRUTH about aliens, UFOs, and extraterrestrial life.

BOOKS AND E-BOOKS

***Earth: An Alien Enterprise: The Shocking Truth Behind the Greatest Cover-Up in Human History* by Timothy Good et al**

This new volume tells the story of contact between aliens and humans from all across the globe, dating back to 1932, including meetings with military personnel and American presidents such as Eisenhower and Kennedy. For the first time, a former member of MI6 reveals her conversation with Neil Armstrong at a NASA conference, when he confirmed that there were other spacecraft on the Moon when Apollo 11 landed in 1969. Armstrong also confirmed that the CIA was behind the cover-up. In a further admission in December 2012, Russian Prime Minister Dmitry Medvedev revealed that the president of Russia was given a special top-secret folder that in its entirety contained information about aliens who have visited our planet. Along with this, the president was given a report of the Special Service that exercises control over aliens in our country: "I will not tell you how many of them are among us because it may cause panic."

***Alien Disclosure at Area 51: Dr, Dan Burisch Reveals the Truth about ETs, UFOs and MJ-12* by C. Ronald Gardner**

This is the true story of microbiologist Dr. Dan Burisch and his encounters at Area 51 S4 with J-Rod, an alien from the Zeta Reticuli star system whose UFO crashed in Kingman, Arizona. The book explores the technology that was allegedly used in Atlantis and the theory that the Great Pyramid of Egypt was originally a gigantic power station. From beginning to end, the book is filled with facts, keen observations and tales that challenge modern assumptions in a humorous, intelligent and compelling way.

This is a two-part detailed chronological narrative of the national security dimensions of the UFO phenomenon from 1941 to the present. Working from hundreds of declassified records

and other primary and secondary sources, Dolan centres his investigation on the American military and intelligence communities, demonstrating that they take UFOs seriously indeed.

***A Gift From The Stars: Extraterrestrial Contact and Guide of Alien Races* by Elena Danaan**

The true story of an alien abduction. Abducted by Greys as a child and rescued in the process by benevolent aliens, this amazing book is enriched by the author's amazing illustrations and information of 110 different alien races involved with our planet.

5. THE GALACTIC FEDERATION

NASA's newest Earth-observing satellite was launched in December 2021. Our space program (NASA) is still in its infancy. It is probably 1,000 years behind what you are about to learn in this section. They are exactly at the stage when we were getting rid of the horse and buggy and buying our first motor car from Mr Ford.

The following videos by Dr Michael Salla explain what is actually happening behind the scenes on the Galactic front. Dr Michael Salla is an internationally recognised scholar in international politics, conflict resolution and US foreign policy. He is more well known as a pioneer in the development of 'exopolitics', the study of the main actors, institutions and political processes associated with extraterrestrial life.

In closing, I am leaving you with this amusing little quote which comes from page 135 of Pat Lee's *Extraterrestrial Compendium*, and it is on the last page of *Our Ancestors from the Stars*:

“Humans comprise many sub-races and cultures of people. They communicate through different spoken languages and have under-developed telepathic capabilities. Humans on earth are a very young race with rudimentary technology, still largely mechanical and powered by combustion of fossil fuels. Only recently have concerned efforts been made to look at alternative sustainable technologies. Humans are also probably the only race in the galaxy using monetary system, something other intelligent extraterrestrials have long since

abandoned. Mostly unaware of anything beyond their immediate world, humans routinely kill each other to satisfy emotional, political and physical needs.”

Kind regards,
